

UJ / UQJ Joint Protection Kit

This Modular coupling system accepts our line of Protectorshell PS040, PS055GIII and PS076 articulated pipe

Specifications

| | |
|--|---|
| UJ Joint Protection Kit Length – Overall length | 2.972m |
| UJ Kit Weight | Approx. 217kg |
| UQJ Joint Protection Kit Length – Overall length | 2.372m |
| UQJ Kit Weight | Approx. 169kg |
| Wall Thickness | 9mm |
| Material | Ductile Iron to AS1831 / ISO 1083 |
| Tensile Strength / Elongation | 400MPa / 15% |
| Impact Resistance | >7.5kJ |
| Flanged extension dimensions | 300mm – 23.40kg |
| Coupling dimensions | 436mm – 23.40kg |
| Fasteners | M12x50 Bolts and M12 Nyloc Nuts - Material: Stainless Steel G316/A4 |
